Summary: Alyx didn't want to let Mossman get away with what she had done...

Revenge

"Boom!" the door to Mossman's room screamed, as it was slammed hard enough to close the large bunker door at a huge speed, after Alyx flung it at a speed that would have shattered a normal door. "Hey bitch!" She yelled, ripping Mossman from her chair by her hair. "I bet your real happy to be back, considering that they decided to let you stay here, even after you got Dad killed!" she screamed, spitting in Mossman's face.

"Oh God!" Mossman screamed, not only twitching, but also spraying Alyx with her juices.

"Oh fuckin' perfect Bitch, I just had these cleaned!" Alyx hollered, throwing Mossman to the floor, taking note of Mossman's missing pants and panties. Alyx turned to leave, but as she got to the door, she spun around on her heels. "No, I'm not going to let you get away with all this without punishment, I want you to SUFFER BITCH!" Alyx said, the last few words coming out as a scream.

Picking Judith up and pinning her to the wall, Alyx began to viciously fist Judith, prompting her to scream, due to the tearing in her moist pussy. "Oh shut the fuck up bitch! You committed the crime, so now you have to pay the time!" she threatened, picking up her pace, bringing Judith to another orgasm.

"P-Please A-Alyx, see some sense, I did it all for y-your f-father!" Judith sputtered, attempting to rid out the orgasm.

"Bitch! Call me Mommy!" she screamed in the heat of the moment.

"Y-Yes Mommy!" Judith whispered, tears filling her eyes, her pussy bleeding.

Seeing what she had done, Alyx slammed the bitch to her feet, and after ditching her pants and panties, slammed her slave's face onto her pussy, and ordered her to eat her out. "Eat it bitch! It's the only meal your' going to get for a long damn while!"

Submitting to her master, Judith quietly said "Yes Mommy." And began to eat Alyx out, only stopping for a second to savor her master's juices.

Seemingly from nowhere, Alyx pulled out a bondage harness, complete with a gag, and began to strap it on to her helpless victim. "You're going to like this part bitch." Alyx muttered, ramming the harness's dildo into her slave's pussy, and bringing the tugstraps over Mossman's head, attached a leather leash to the eyelets on the ends. Grabbing the leash, Alyx began to drag Mossman out of her room, and after ripping the rest of her clothes off, drug her down the hall, into Alyx's room. After a few minutes, screams could be heard, continuing throughout the night, until early morning, at which point, after one brutally loud scream, Mossman was never seen again.

After note: If you want to know what happens inside the room, leave me a comment.
